Jabra BT2020

Extreme comfort

All-day talk

Are you chasing down important clients? Or tackling projects around the house? No matter where you are, with Jabra, your headset will remain comfortable even if your day is hectic. Featuring an innovative, streamlined design, plus superb ergonomics, your Jabra headset just might become your most valuable asset.

Stylish yet comfortable

The new Jabra BT2020 is as stable as it is stylish, distributing its weight evenly across your ear. Jabra's design gives you a secure, discreet fit so it won't fall off – even when you're running to your next meeting. And when you talk for hours on end, Jabra provides the comfort you need to continue calling hands-free throughout the day.

Great features, great price

Not only is the Jabra BT2020 a pleasure to wear, Jabra also offers exceptional features. In addition to its high-tech, streamlined design, Jabra features superior sound quality and intuitive operation. But don't just take our word for it. Go ahead and put it on. Hands-free talk has never felt this good.
